ANNALARA WHITE DORPERS

Dear Breeders

We warmly welcome you to our 6th Annual Sale

We have experienced some major changes this year – which will be for the better for all of us.

After 90 years we have elected to sell our Annalara Station at Wilcannia – where the Annalara White Dorper Stud was originally formed in 1998. This was not a very easy decision, but we felt that it was necessary to consolidate our objectives. I personally will not miss the constant travel, sometimes weekly. We would like to wish the successful purchaser - the Brinkworth family - all the best for the future and may the success we have achieved continue for you.

We will now be fully committed to the future success of the Annalara White Dorper Stud, improving and breeding quality genetics for the future. We now look forward to having the time to develop our business and the improvement of our Dubbo properties.

We would like to introduce Laura Keyte from Victoria who commenced working with us in January and is a valued member of the Annalara White Dorper Stud. Laura originates from a rural background and has completed a Certificate in Agriculture.

Unfortunately due to our work commitments this year we have been unable to provide to you, Lambplan data for this year's sale. All rams will be scanned prior to the sale with the results available on a supplementary sheet on AuctionsPlus and at the sale.

We are very pleased with this year's sale catalogue of our Rams and Ewes to supply your breeding requirements, although I would have liked our season here to have been a bit more kinder.

This combined sale day with Tattykeel and Highveld is the largest offering of White Dorpers in Eastern Australia and is the only Sale this Year that both Annalara and Tattykeel have their genetics on offer.

We wish you all the best for the future.

Yours Faithfully

The Cresswell Family and Employees of
Annalara White Dorpers

Sale Day lunch is provided by Rotary Club of Dubbo
